

Documentation of Product Custom Option

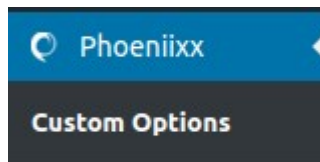

Installation of Product Custom Option

Installation

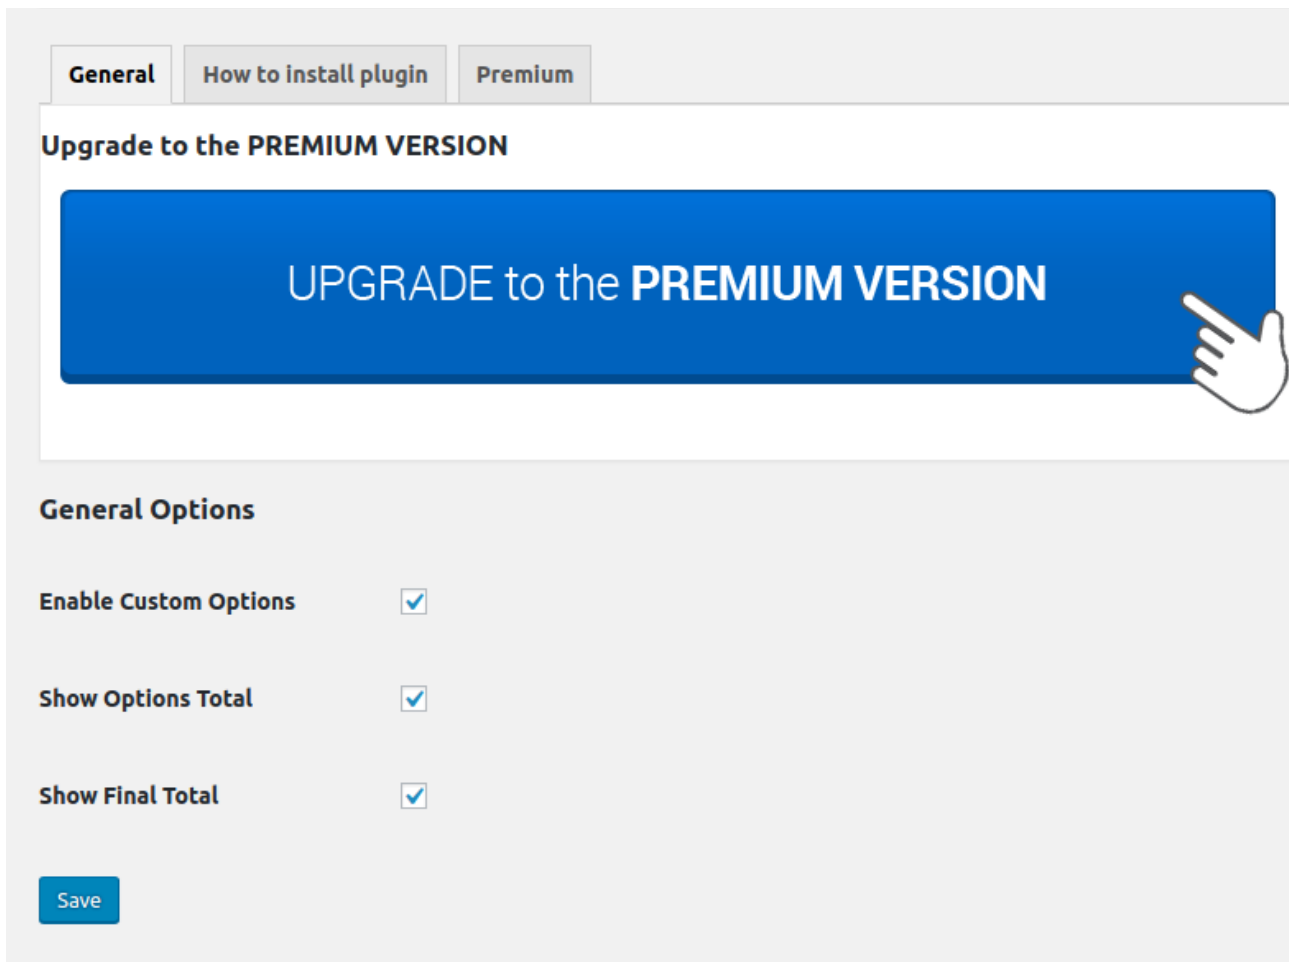

1. Install Word Press from http://codex.wordpress.org/Installing_WordPress.
2. Upload via FTP: - Unzip the zip archive you have downloaded on your computer. Upload the folder to your server via FTP into the directory plugins on your Word press installation (wp-content → plugins).
3. Upload via Word press Admin: - Go to your WordPress admin panel, and then to Plugins. Click on "Add New" and then upload the zip file of the plugin using the "Upload Plugin" button you can find on top of the screen.
4. For the plugin to work as it should, Woo Commerce plugin has to be installed and enabled.

Activation

Once you have uploaded the plugin, activate your plugin in Plugins → Installed plugins. If it has been activated correctly, plugin control panel is available in the tab **Phoeniix → Custom Option** in Word Press dashboard.

General Settings

How to add Custom Option for a Product?

- Go to the products then click on edit option.
- After that click on Custom Option tab to create the custom option for your products.
- You can add either Text Field or Text Area input fields.
- You can make particular field mandatory.
